

Rating & Dimensions

# BX Room Hub.

The Ashton Bentley BX replaces proprietary USB-C docks with a unit that can be neatly mounted under a desk or table.

- The BX Hub provides separate outputs for:
- HDMI
  - Network
  - USB ports (x3)

Supplied with a 2.5m USB-C cable, with locking connector to prevent inadvertent disconnection from the BX.

With the addition of the Ashton Bentley BX power supply the 2.5m USBC cable will provide up to 100w charging to any USB-C connected device.

Connection	Type	Function
Connection Plate 1		
USB-C	Power	USB-C Power Delivery: Up to 100W
ETHERNET	Network	Ethernet Port: Speed up to 1 Gbps
HDMI	Video	HDMI Port: Resolution up to 4K@30Hz
